

ICC – AFRICA T20 WOMEN’S QUALIFIERS TANZANIA INITIATES A LEGACY OF THE EVENT

During the course of the lengthy event, Tanzania officials approached one of the most experienced ICC match referee Mr. David Jukes requesting him to conduct a seminar on the role of the captain on a rest day. Tanzanian officials contacted host Cricket Namibia on the arrangements who jointly organized this seminar on the 14th Sept 2016 at the Safari Hotel, at the Kunene conference room. This educative seminar was conducted honorably by David Jukes.

In the seminar presentation, the role of the captain was discussed in details. The hour and a half long seminar was very much educative that created a shift in the mindsets of the participants. This was a very successful seminar and was highly appreciated by all who attended it by thanking Mr. David Jukes for conducting it and Tanzania cricket for initiating it.
